

Listing of Claims:

This listing of claims will replace all prior versions, and listings, of claims in this Application:

Listing of Claims:

1. (Currently amended) A washing brush comprising:
a core having a plurality of recesses of a V-shape formed at a circumference thereof along an axial direction with a predetermined distance, and a wing formed between the recesses;
a plurality of fixing rings surrounding the circumference of the core;
a spacer inserted between each of the fixing rings;
washing threads bent at a middle portion thereof, wherein bent portions thereof are fixed by close contact between adjacent rings and the bent portions are inserted in the recesses; and
a fixing means provided to the core and making the rings in close contact with each other.
2. (Canceled).
3. (Previously presented) The washing brush according to claim 1, wherein the fixing means comprising:
a supporter formed at one end in a length direction of the core and projecting outwardly in a radial direction; and
a fastening member fastened to the other end in the length direction of the core.
